

ENVS 4620/6620 - FALL ENVIRONMENTAL EDUCATION PRACTICUM

Course Description: Hands-on practicum for persons working in education and public outreach settings. Students develop, evaluate, and improve environmental education programs.

Prerequisites: Preferably students will complete ENVS 6610 prior to taking this course, but not required. However, students are required to take both courses in consecutive semesters.

**Earn four graduate credit hours*

**Semester based online course*

Instructor: Andree' Walker Bravo
Director of Utah Society for Environmental Education
